

Career opportunity

Audit Senior (NGO)

Job description

A successful person shall be responsible for providing exceptional audit activities for our clients. As they build their knowledge and experience, they will become credible advisors, influencing clients and engagement teams on resolutions that will impact entire industries.

- Working in a team, getting to know our clients, their businesses and how they work.
- Interacting with clients to collect all the necessary data and information to carry out the audit.
- Support the planning, leading fieldwork, managing performance and keeping engagement leaders updated on audit engagements.
- Completing audit processes and documenting higher-risk areas to increase your technical and business skills in areas such as revenue, costs, financial instruments and tax.
- Analysing the data that goes into a financial statement to make sure it is true and fair.
- Building and maintain productive working relationships with client personnel
- Constantly developing your understanding of current market trends and processes and sharing your knowledge to develop junior colleagues

Skills and attributes for success

- Leading fieldwork, managing performance and keeping engagement leaders updated on audit engagements.
- Completing audit processes and documenting higher-risk areas to increase your technical and business skills in areas including revenue, financial instruments and income taxes.
- Engaging clients and providing authoritative advice and professionalism throughout transactions.
